Subject: Fees
Date: Friday, September 30, 2016 11:22:52 AM

Gentlepersons:

My name is Martin Khang Nguyen. As being a micro entity inventor, I do favor the proposal new fees, especially when the small and micro entity community like me would not be in hardship to protect our ideas and intellectual property, and sometimes those are the only properties that we have. However, I would recommend to increase fees from foreign firms filings who would consider to file in the U.S.

Best regards,

Martin Nguyen
