

United States of America

United States Patent and Trademark Office

ROHM

Reg. No. 5,382,813

Registered Jan. 23, 2018

Corrected Dec. 31, 2024

Int. Cl.: 9

Trademark

Principal Register

ROHM CO., LTD. (JAPAN CORPORATION)

21, Saiin Mizosaki-cho, Ukyo-ku,
Kyoto-shi, Kyoto, JAPAN 615-8585

CLASS 9: AC-DC power converters; DC-DC power converters; LED drivers; Electromagnetic interference filters, namely, filters for removing electromagnetic rays from power distribution or control machines and apparatus, namely, power controllers; Electromagnetic interference filters, namely, filters for removing electromagnetic rays from rotary converters; Electromagnetic interference filters, namely, filters for removing electromagnetic rays from phase modifiers; Electromagnetic interference filters, namely, filters for removing electromagnetic rays from telecommunication machines and apparatus; Electromagnetic interference filters, namely, filters for removing electromagnetic rays from electronic machines, not including those for Geiger counters, high frequency welders, cyclotrons not for medical purposes, industrial X-ray machines and apparatus not for medical use, industrial betatrons not for medical use, magnetic prospecting machines, magnetic object detectors, seismic exploration machines and apparatus, hydrophone machines and apparatus, echo sounders, ultrasonic flaw detectors, ultrasonic sensors, electronic door closing control systems and electron microscopes; Electromagnetic interference filters, namely, filters for removing electromagnetic rays from electron tubes; Electromagnetic interference filters, namely, filters for removing electromagnetic rays for semi-conductor elements; Electromagnetic interference filters, namely, filters for removing electromagnetic rays from electronic circuits, not including those for electronic circuits recorded with computer programs; Electrical overcurrent protection devices in the nature of electrical fuses; Power distribution control machines and apparatus, namely, power controllers; [Rotary converters; Phase modifiers machines used to control electrical current;] Capacitors; Electric resistors; Optical communications instruments, namely, infrared communication modules in the nature of optical receivers and transmitters; [Remote control infrared receiver modules;] Mobile phones; Digital cameras; Car navigation devices; [Set-top boxes; Radio cassette players and recorders; Audio equipment for vehicles, namely, stereos, speakers, amplifiers, equalizers, crossovers and speaker housings; In-car television receivers;] Light emitting diode (LED) displays for showing numbers, characters and images; [In-car CD changers; CD changers;] Transistors; Diodes; Light-emitting diodes; Integrated circuits; Large-scale integrated circuits; Laser devices featuring semiconductors used for non-medical purposes; Semiconductor devices; Optical sensors using semiconductors; [Image sensor heads in the nature of image sensor components for use in scanners and photocopiers;] Thermal heads in the nature of thermal sensor components for use in thermal printers; Computers; Liquid crystal displays for computers

THE MARK CONSISTS OF STANDARD CHARACTERS WITHOUT CLAIM TO ANY PARTICULAR FONT STYLE, SIZE OR COLOR

Acting Director of the United States Patent and Trademark Office

OWNER OF U.S. REG. NO. 4093107, 3034247

PRIORITY DATE OF 07-23-2014 IS CLAIMED

OWNER OF INTERNATIONAL REGISTRATION 1262147 DATED 09-16-2014,
EXPIRES 09-16-2034

SEC.2(F)

SER. NO. 79-171,335, FILED 09-16-2014

REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION

WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.

Requirements in the First Ten Years*

What and When to File:

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.* See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
